Seen through the windows of W.H.S.

The 1966 Collicola staff has looked through Weston's windows. This is what we've seen:

We've seen teachers who felt it was important to know about the past, the present, and the future because they believe it to be so.

We've seen young, eager faces trying to find out what education is all about and what they want to do with their lives.

We've seen girls forgetting everything but their date for the Prom and we've seen boys acting their best in their formal coats.

We've seen football and basketball games, where sometimes we came home happy and sometimes sad.

We've seen our organizations where students thought it was worth while to devote time to a common goal.

We've liked what we've seen, so we, the Collicola Staff, invite you to look through Weston's windows, too.

We think you'll like what you see.

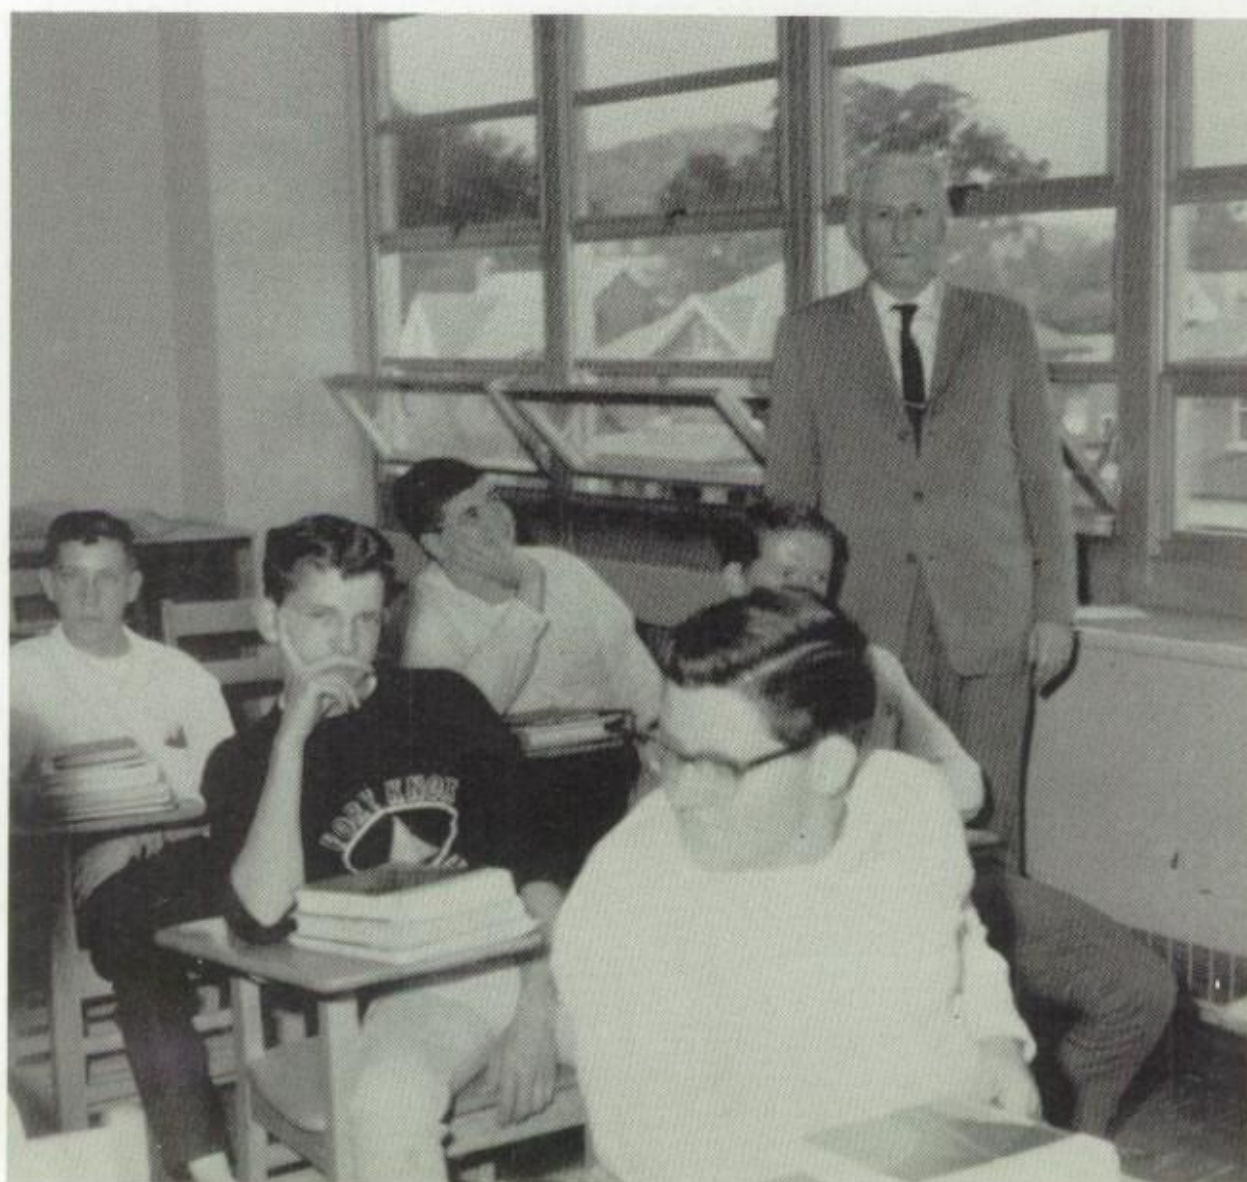

*We gratefully dedicate

Mr. George H. Rogers
46 Years of Service

After many years of dedicated teaching, Mr. George H. Rogers is retiring from Weston High School. Graduating from West Virginia Wesleyan College, with a B.S. in political science, he continued his study in the field of science at West Virginia University where he received his M.A. He then attended the University of Ohio where he acquired further work in Latin. Mr. Rogers has taught at Weston High School for the last eighteen years and will always be remembered as one of our most devoted teachers.

Graduates of 1966:

You have now completed one phase of your educational program and are about to enter into a more advanced course of study. For many, this will take the form of higher education, and for others, it will mean getting a job and going to work. You are now an adult. You must take your place in society as a good citizen.

You have achieved several distinctions as the Class of 1966. You are the largest graduating class to complete the high school program. The educational and physical facilities were the best that have ever been offered. This class has had the advantages of a most diversified program, with learning experiences that have been fresh and new. The democratic process has operated well in this educational setting.

We are sure that many of you have taken advantage of all the opportunities offered in your school. Others have not applied all the effort necessary to achieve the maximum benefits. You know where you stand.

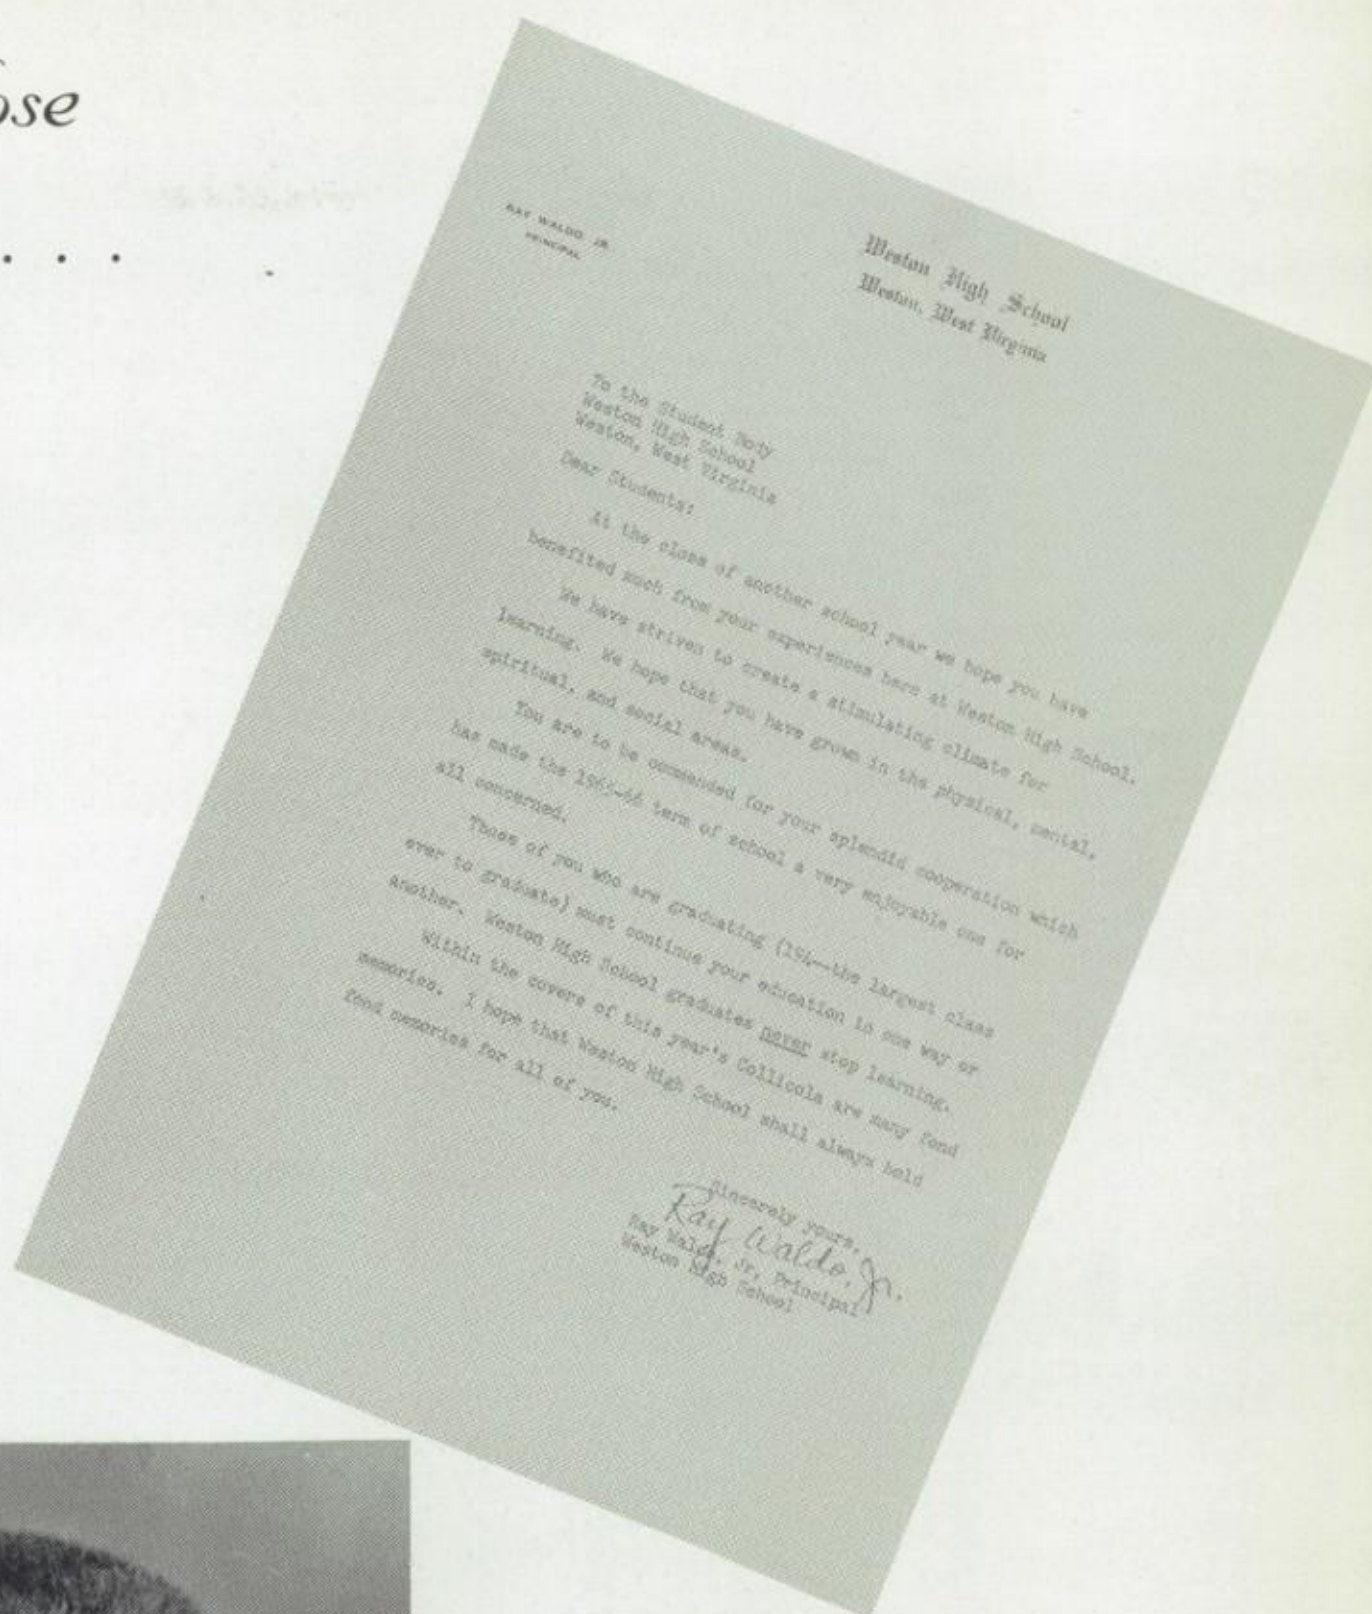

Regardless of where one stands, he must take inventory of where he is now; also, where he wants to go. After this evaluation has been honestly made, one is on his way to success. There is nothing impossible to a willing and able mind. Your future is now in your own hands. Make the most of it because you owe it to yourself and to the community.

God Bless you all.

Senior Class History

On a peaceful day in September, 1963, we heard a loud cry coming from the good ship, Weston High School. It was the same ship that had carried many a passenger before us on a safe journey of greater learning.

Our first journey consisted of 213 passengers. The captain in charge of the Sophomores was Mrs. Marguerite Carden. The heads of the passengers were Allen Tustin, President; Trudy Titus, Secretary; and Elizabeth Grisham, Treasurer. On board that year were our two Sophomore Princesses of Weston High School's Homecoming, Harriet Young and Elizabeth Grisham. Ronnie Stephens received All Tournament Cast in Thespians.

The next fall, after a three months shore leave, we embarked upon Junior waters to find a few passengers missing, there were now 205. Our class officers were Allen Tustin, President; Mike Cottrill, Vice-President; Nancy Cottrill, Secretary; and Trudy Titus, Treasurer. From the Junior play "The Best There Is", Harriet Young was selected for the All Tournament Cast and Jim Butcher was selected Best Actor. Donna Williston and Sheila Taylor were our honored Homecoming Princesses on the cruise.

After our usual three months shore leave, we embarked upon Senior waters to find that the passenger list consisted of 194. Our class officers were Philip Goodwin, President; Mike Cottrill, Vice-President; David Lambert, Secretary; and Ronnie Stephens, Treasurer. Homecoming proved to be one of the highlights of our Senior journey. The Senior float captured 1st place in class competition. Tonie Lawson was crowned Queen of Weston High School Homecoming, with Carolyn Goe and Trudy Titus serving as Senior Princesses.

We are proud of the fact that we are the largest class to ever graduate from Weston High School. After graduation, our passengers will disembark at many different ports, from college to service. We wish each and every classmate a happy landing!

He rests his head upon the lap of Earth,
A Youth to Fortune and to Fame unknown,
Who gave to misery all he had, a tear,
And gained from Heaven (all he wished) a friend.

"Blow, blow thou winter winds."

A budding youth that might have grown,
Had not Fortune frowned upon his humble birth,
And Melancholy marked him for her own.
He rests his head upon the lap of Earth.

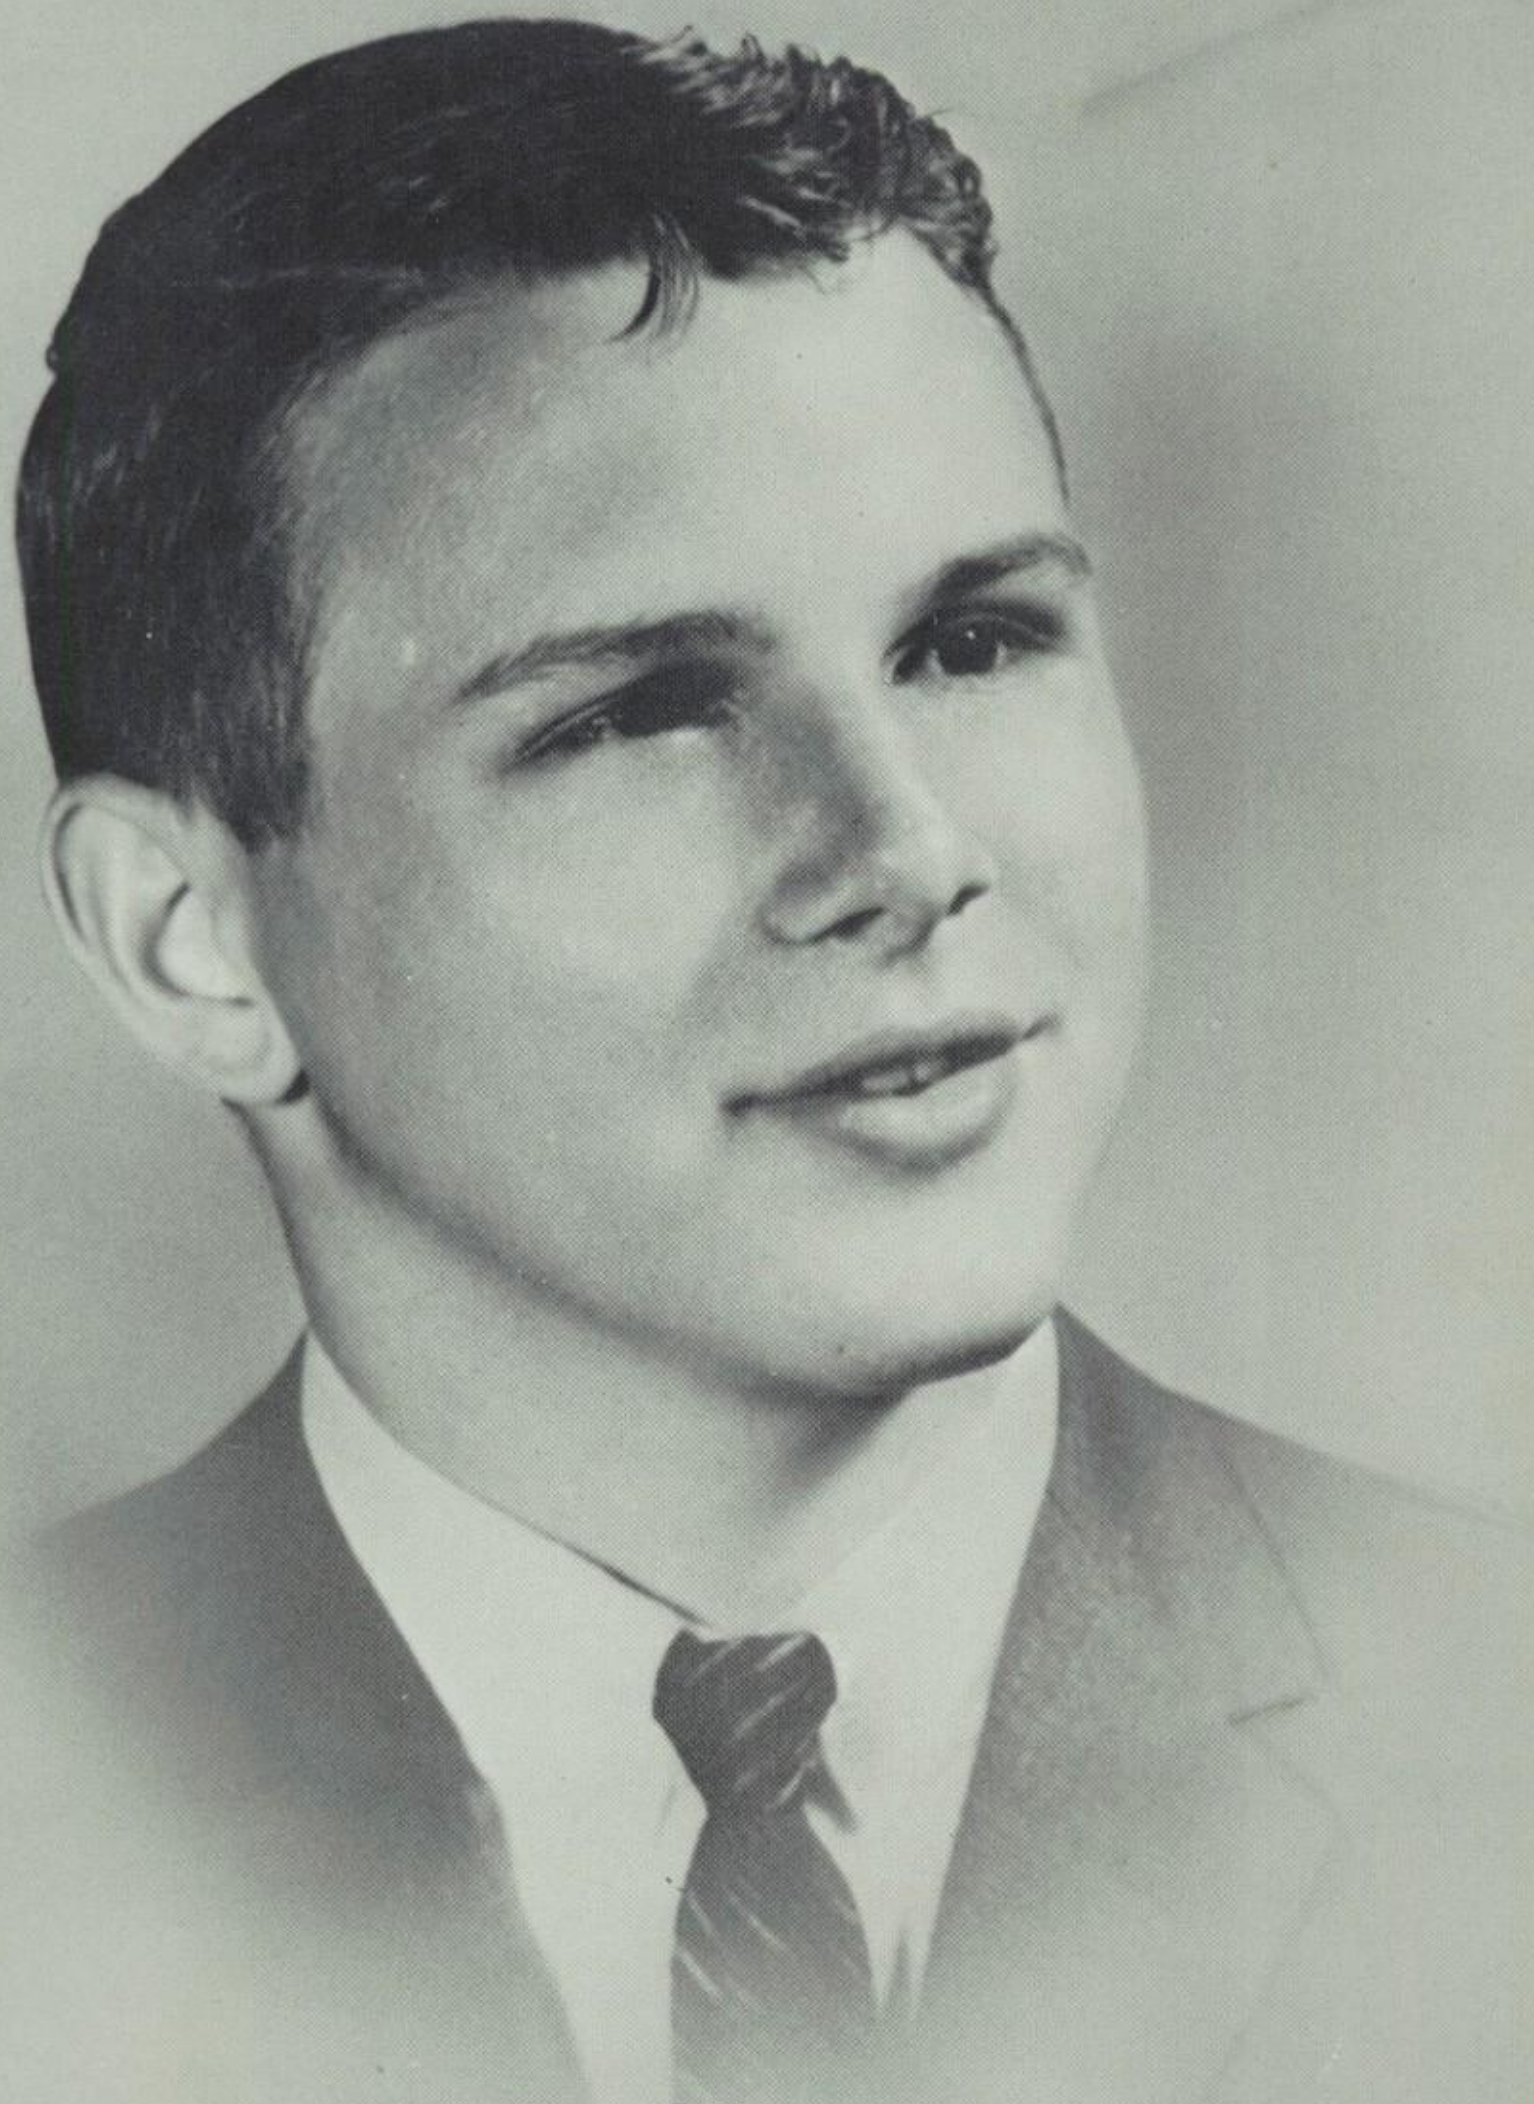

"Blow, blow, thou winter winds."

The moon reflects his star in Heaven hanging low,
This light to life is a glorious birth,
But yet we know, wherever we go,
That there has passed away a glory from the Earth.

"Blow, blow thou winter winds
You are not so unkind
As death in Youth."

In the prison of his days he swept up our hearts
And put our love away.
In the deserts of our hearts
Let the healing fountain start.

"Blow, blow, thou winter winds."

JUNIOR CLASS OFFICERS: Judie Craft, Treasurer; Joe Wyant, President; Marcia Smith, Secretary; and Darlene Sholes, Vice President.

Junior Class History

Seeing the halls of Weston High again brought back memories of past achievements by our class.

The class elected officers for the Sophomore year. Elected president was Joe Wyant, vice-president was Larry Beverage and treasurer, Joe Walker.

Homecoming was a memorable event for our class. Our Princesses were Mary Stone and Mareda Monroe escorted by Rob Waugh and Bob Borchert respectively. The class float built around the theme of "Minutemen Won't Go Under" captured second place in class competition.

The one-act play contest followed after Homecoming. Our play was entitled "A Baby for Brenda." Darlene Sholes and Joe Wyant were chosen for the All-Tournament Cast.

In the late spring the class elected officers for our Junior year. Joe Wyant was chosen as President, Darlene Sholes as Vice-President, Marcia Smith as Secretary, and Judie Craft as Treasurer.

Once again the class was well represented at Homecoming activities. Princesses were Jeanne Bailey and Linda Smith. They were escorted by Rob Waugh and Tom Fox. The class entered the float, "Let's Occupy the Endzone."

The Juniors sold Christmas cards to help with their expenses for the Junior Senior Banquet and Prom.

SOPHOMORE CLASS OFFICERS: Dave Floyd, Treasurer; Linda Nester, Secretary; and John Stalnaker, President.

Sophomore Class History

The Sophomore Class of 1965-66 entered Weston High School for the first time with the opening of the school term August 31st. Early in September a class election was held to choose officers for the year. John Stalnaker was chosen as president, Linda Nester as secretary and Dave Floyd as treasurer.

The class had a very successful magazine drive to raise money for the treasury and for expenses in their Junior year.

For Homecoming the class float was based on the theme "Our Little Universe." The Sophomore Princesses were Pam Casto escorted by Terry Taylor and Roberta Smith escorted by Mike Shaver.

"Let's Blast Grafton Out of Our Universe" was the theme for the Sophomore Class Float.

Organizations

In our organizations we stimulate character growth and personal abilities as well as teaching constructive ways to serve society. In our activities outside the classroom routines, we find ourselves identified with stimulating projects; learning as if it were a game or hobby. We, as members of organizations in focusing interest upon worthy goals, enjoy each others company and enjoy working informally together. These are our organizations.

A Girl's Angle on Football Terminology

In the spring a young man's fancy lightly turns to thoughts of love, but in the fall his thoughts are often on football. To find out what girls know about the game of football, our Blue and Grey reporter interviewed Debbie Hall, a sophomore of Weston High.

B and G Reporter--What is a trap play?

Debbie--A trap play is when

How many points do you get for a field goal?

Debbie--A field goal is six points, and it's when you get the ball across that line.

What is a split end?

Debbie--When the two ends are on opposite ends of the field.

What is a fullback plunge?

Debbie--Everyone jumps on the fullback (he's got the ball.)

Athletics

Athletics take in a broader aspect than merely winning games or cheering the team. It has a deeper and more significant importance to the spirit and life of a school. Qualities of sportsmanship, determination, loyalty, and initiative evolve from athletics and sound conviction.

Included in the many branches of our athletic department are football, basketball, baseball, track, wrestling, and golf. This is our athletic department.

Events

Along with the occurrences typical of every year at Weston High School came the events. Homecoming with the Queen's coronation, the Christmas party, holiday get-togethers, and then a great accumulation of that white stuff--SNOW--granting W.H.S. a one-week holiday.

In our hectic whirl, 1965-66 sped by before we realized it. Although the events are now past history, they remain an integral part of W.H.S. memories. These are our events.

Homecoming Winning Floats

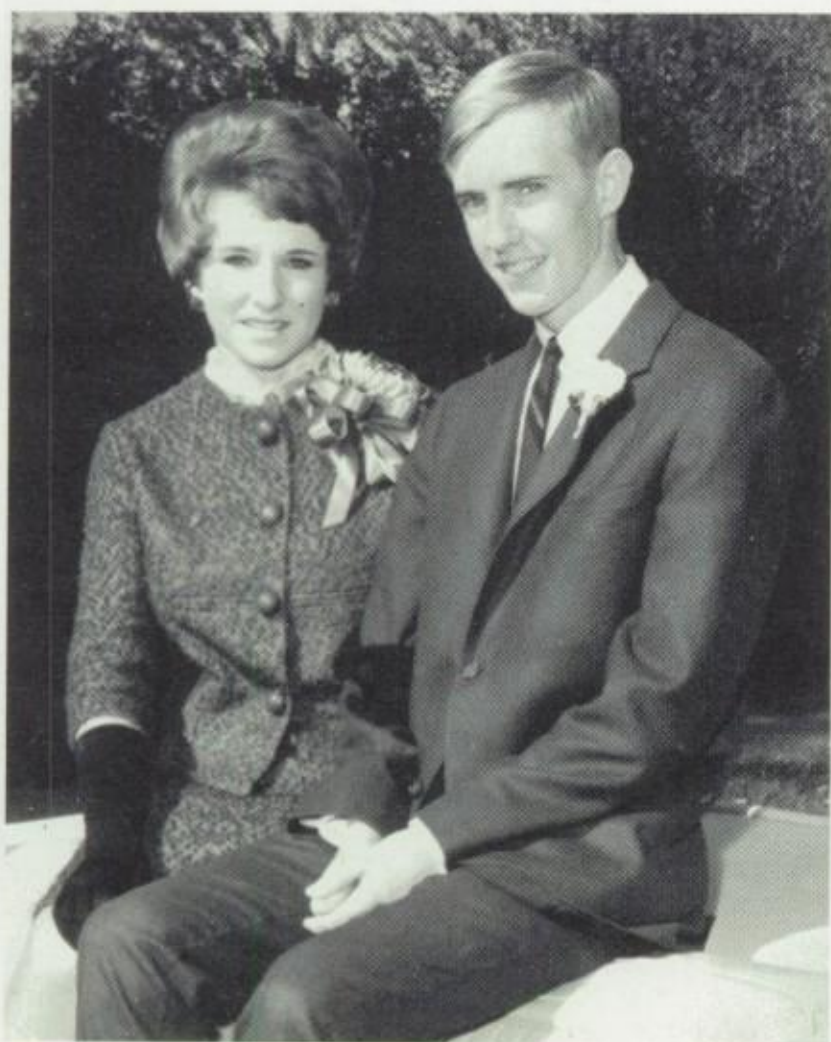

Pep Club obtained first place in the club float competition during Homecoming.

The Seniors placed first in class competition with this entry.

Riding on the royal float are Queen Antoinette, escort Mike Huntz, and Minuteman Kenny Hitt.

Trudy Titus, escorted by John Woodford, represented the Senior class in the parade.

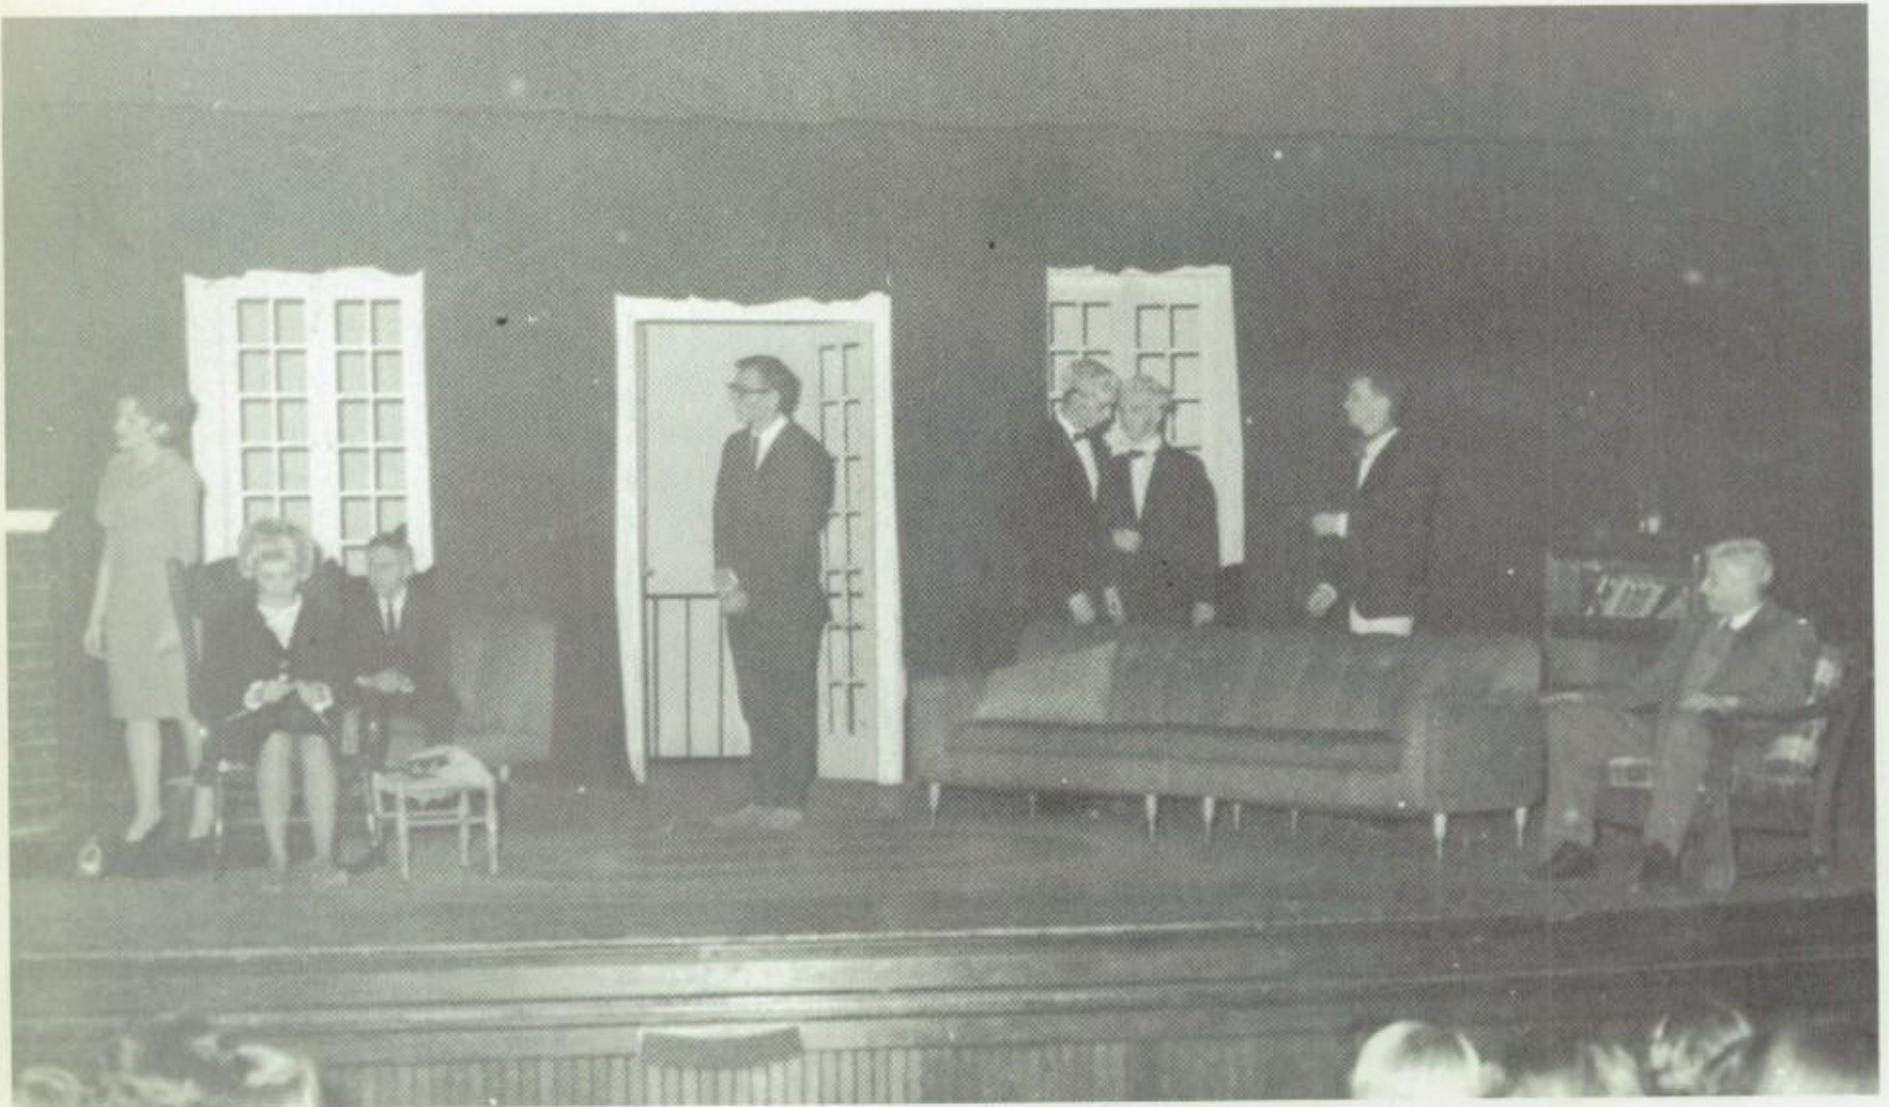

Senior Princess, Carolyn Goe, and escort, Joe Will, await the start of the Homecoming Parade

The snake dance, held in the fall of each year, is always a big success for all involved.

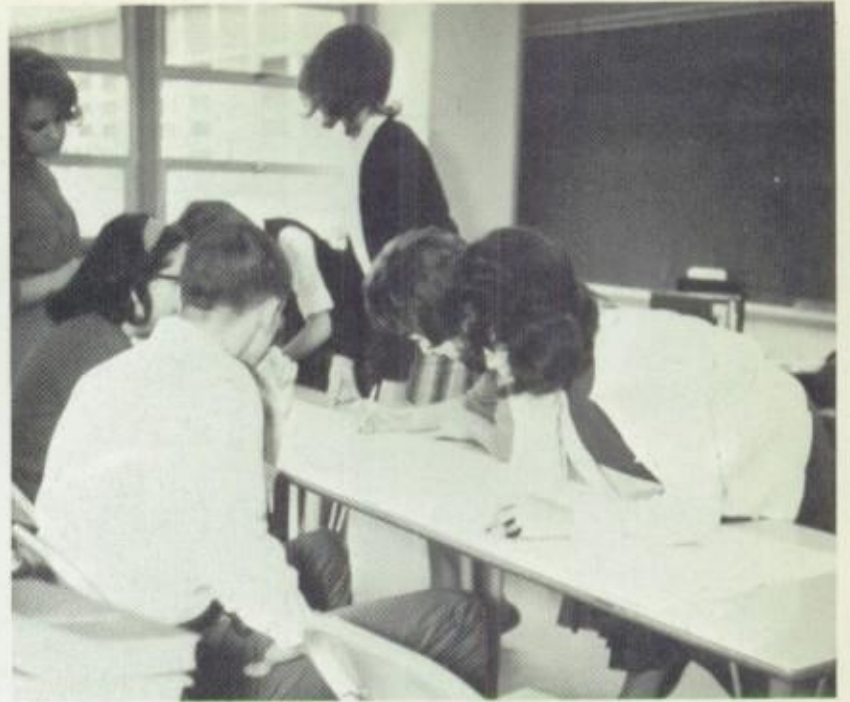

The week before Homecoming always finds the classes hurrying to finish their float in time for the parade.

This year, the Senior class presented a three act mystery, "Ten Little Indians."

Mrs. Davisson's English class gave Mr. Hall a party to show their appreciation for a job well done.

Students busily make Christmas decorations for their homeroom.

The Sweetheart Dance was enjoyed by all who attended.

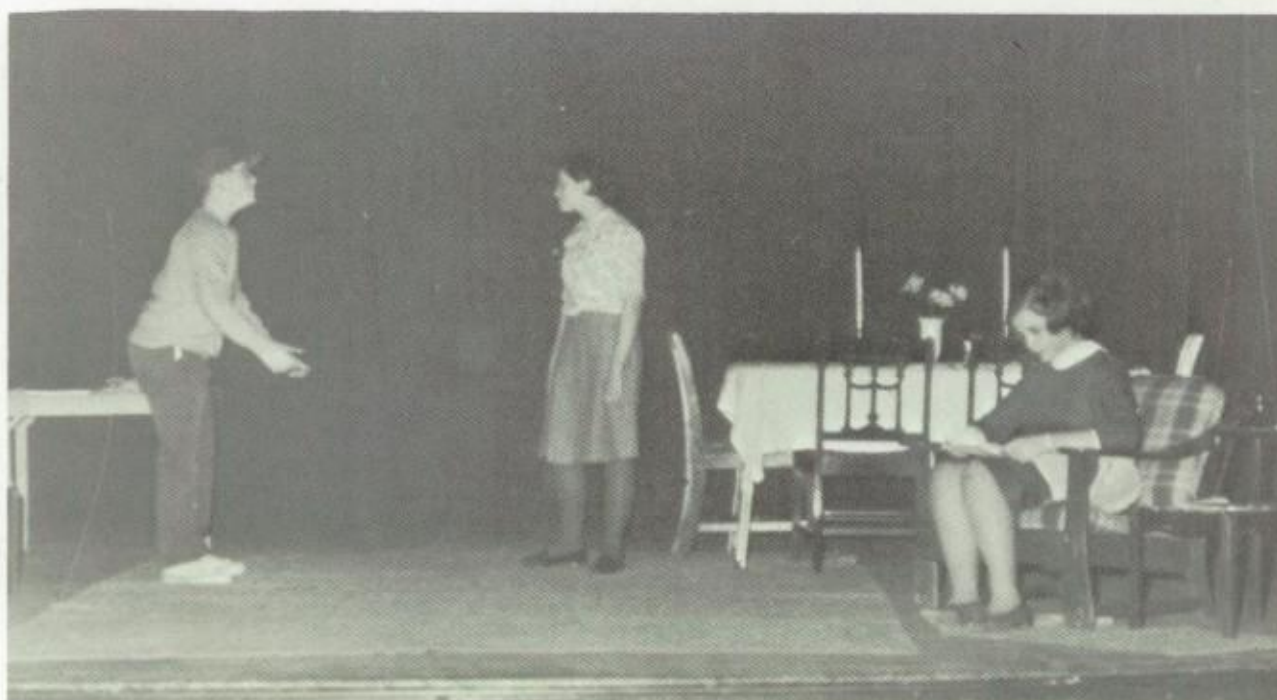

Each year outstanding actors are selected for the All Tournament Cast.
LEFT TO RIGHT: Denver Cavins, Best Actor; Dave Lambert; Jeannie Beachler, Best Actress; Kathy Marks; Beverly Lawson; John Stalnaker.

Suspense reigned throughout the winning Senior class play, Dope.

Hilarious entertainment was provided in this scene from the Junior class play, Caleb Stone's Death Watch.

Bob Ames teases his sister Margaret in the play, The Perfect Gentlemen.

This year's Sweetheart Dance was well attended by the high school students.

Sweethearts for 1966 are: Donna Maynard, Senior; Mareda Monroe, Junior; Nancy Cobb, Sophomore.

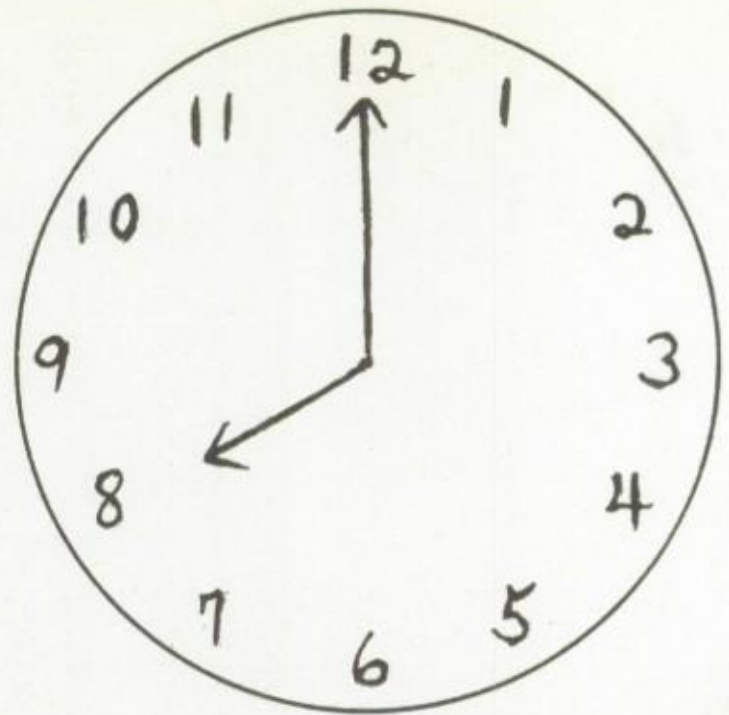

The Dyatones played for the 1965 Junior Senior Prom. The assembly hall at Jackson's Mill was beautifully decorated to follow the theme, Sayonara.

A Day at W.H.S.

A teacher's day begins long before a student's.

Busses begin arriving at the school at 7:30 each morning.

Students listen to the morning bulletin during homeroom period.

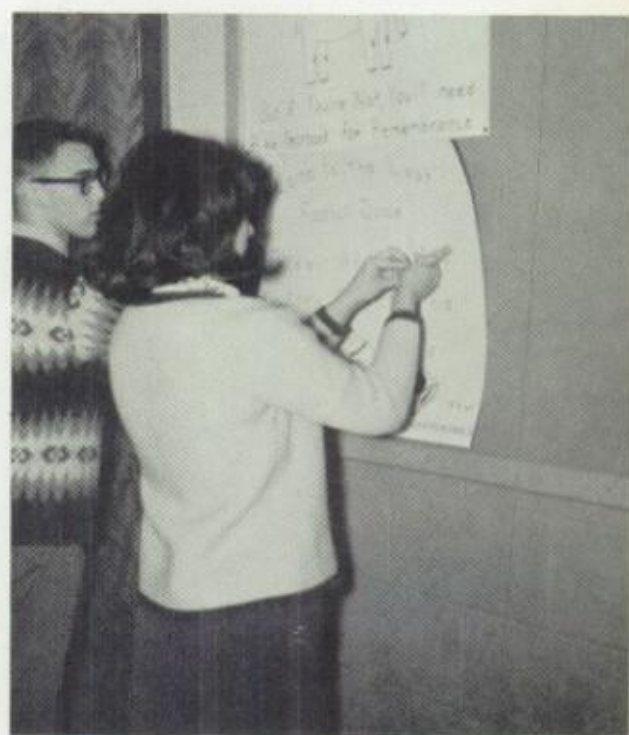

Students hurry to their first period class.

The first major events of the school day are classes.

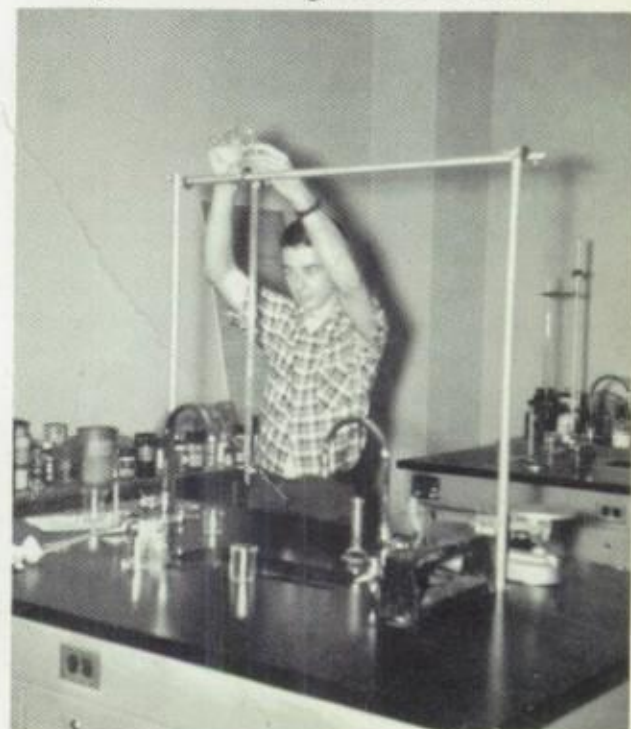

A 55 minute break between classes allows time for lunch.

This noon hour is spent putting up signs advertising future events.

In the afternoon a boy finds time for counsel.

Experimenting is the best way to discover new things.

At the end of sixth period, the student body assembles in the gym for a thuse meeting.

Students practice for weeks to prepare for a play.

After play practice, comes the big game.

Excitement runs high at this Buckhannon-Weston basketball game.

The events of the day have been too much for this little girl.

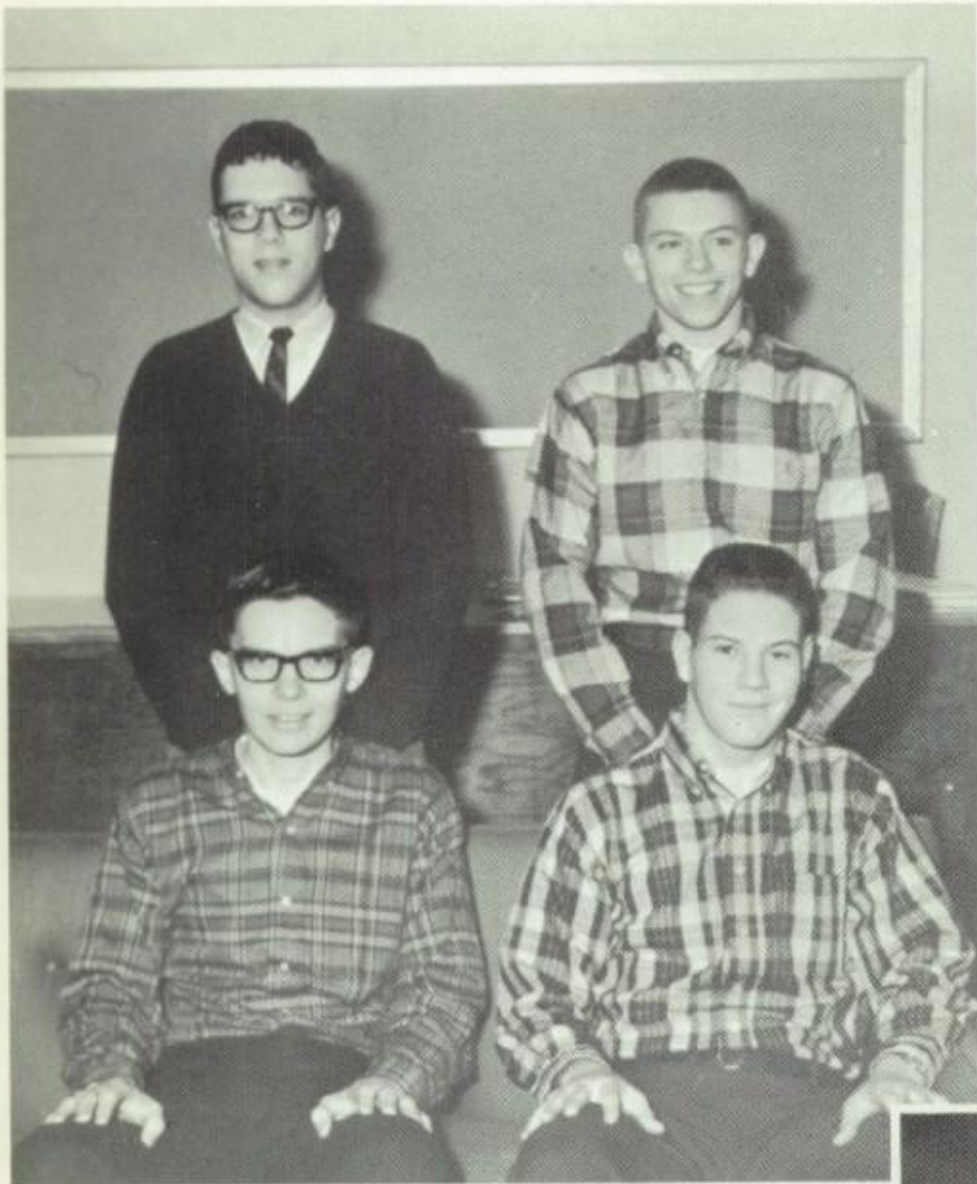

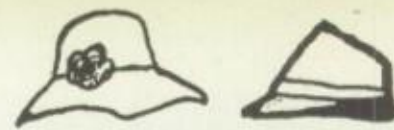

After the game there is a dance in the cafeteria.

This concludes our day at Weston High School.

"Through the Windows of W.H.S." you have seen a school year come and go. Our windows are now closed for the summer but will be reopened in the fall. With the fall comes a new school name, new faces and new ideas. We hope that your idea of cherishing your yearbook, though, will never change.

We hope that this Collicola has more than one meaning for you. It is meant to give you an accurate account of the school year, but it should have a special meaning. It should be coveted because of its lasting quality. It is the last and largest Weston High School Collicola.

We believe this '66 Collicola to be the best to yet come from Weston High School. For making our yearbook possible, the staff extends its appreciation to the following: Davis Studio; Mrs. Grace Waldrop; The Independent Paper; our sponsor, Mrs. Ware; and our loyal patrons.

Best of luck in the future to a real nice and sweet girl.
And one of my best friends. Remember all the fun we've had
in school and at the Youth Center. I wish you the best of luck
with whoever it may be even Gary. Remember me always as

Donna,

To a very cute girl goes all the wishes for every bit of luck in the world. I certainly hope you get your "troubles" straightened out!!! Don't let anyone discourage you from getting "Butch" back. I don't know why he'd prefer — to one of the sweetest girls I know (namely, you).

I'll be sure to send you an invitation to my big wedding!!! (And you and "Butchy Boy" can come.)

Stay just as silly and sweet as you are now.

Be good —
